IT IS HEREBY STIPULATED AND AGREED by the parties' counsel of record that there is good cause for this Stipulation and Request based on the extraordinary circumstances in this case.

The Court's Order entered on July 20, 2021 requires Respondent to post copies of the Order at its facility within five days of entry of the Order. Respondent can and will comply with that portion of the Order.

However, the Order also provides that it must be posted in Spanish and possibly additional languages as well. The Order also requires that the Petitioner approve any

1 translation prior to posting. Respondent diligently sought out and retained a reputable  
2 translation service however the service has advised that due to the 35 page length of the  
3 Order it cannot produce that translation and conduct its normal quality control process  
4 in time to meet the five day deadline.

5  
6 The Respondent believes that it can provide draft translations to the Petitioner  
7 by the end of business on July 30, 2021 and execute the posting by August 3, 2021.

8 Petitioner has stipulated to this request.

9 Wherefore the parties request that the deadline for the posting of the non-  
10 English versions of the Order be extended to August 3, 2021.
